Please return this form with a STAMPED ADDRESS ENVELOPE for your tickets, to reach this office NO LATER THAN Friday **2<sup>nd</sup> June 2017**. Please note that NO stamped addressed envelope will mean that you will not be able to receive your tickets. Note also that security will be provided by civilian stewards who will not know a private soldier from a general, and certainly will not know regimental personalities. They will only allow access to the stadium on production of a current and valid entry ticket: NO ticket will mean NO entry.
